Privacy Notice

What is personal/sensitive data?

Personal data is data which can be used to identify you. This may include your name, date of birth, address, telephone number etc. Sensitive personal data is information related to any of the following: racial or ethnic origin, political opinions, religious beliefs, trade union membership, health, sexuality or sex life, offences and/or convictions.

How will you use my data?

Your data will primarily be used for the purpose of arranging and completing your assessment and to fulfil our statutory requirements. Your data may be used to provide anonymised data for the purposes of research and statistical monitoring.

Where will you store my data?

The record of your case will be stored in a secure electronic database system accessed by relevant employees of Red One Ltd. Data including correspondence and assessment material may also be stored securely and may be accessed as necessary by Red One Ltd.

Obtaining the information, we hold about you.

You have a right to ask for a copy of your information and to correct any inaccuracies. Should you require further information please contact our Compliance Officer in writing via email or post:
